

7.5 Tonne Commercial Support Stands

V-Tech Commercial support stands offer free wheel support by removing the mobile column lift whilst the vehicle is supported on the stand, thus providing flexibility and safety for the operator.

- Especially for supporting vehicles lifted by mobile columns or in-ground lifts.
- The spindle extension offer a quick and precise adjustment of the height.
- Strong transport wheels for easy and manoeuvring.
- Robust construction ensures maximum stability and long life.

Model	Min	Max
A	1345mm	1895mm
B	850mm	1350mm
